Please present this boarding pass to the airport for flight

## Check-in with luggage

Please head to the check-in counter no later than 60 minutes before departure

## Carry-on bag only?

- Domestic destination - please head to the departure gate
- International destinations - please go to the check-in counter for verification of travel documents

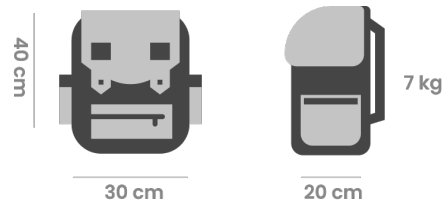

## Safety Regulations

- Make sure your items always stay with you
- Make sure you know the contents of your luggage
- Pay attention to items that are not allowed to be carried

Make sure you understand, know and agree to the applicable security rules

## Size of carry-on bag

## Important Information

- Make sure your travel documents are still valid
- Allowance for baggage as stipulated in your E-Ticket regulations
- Receiving boarding passes is at the discretion of the airport
- For operational, safety or security reasons we can change our seats at any time even after you board the aircraft
- You are expected to be at the Boarding Gate no later than 40 minutes before departure time to avoid being offroad from the aircraft and from being charged a no-show fee
